

## This week at Lancasterian....

### Building Schools for the Future

Can we take this opportunity to thank all of you who were able to attend the meeting on Tuesday 15th September. As you are aware this was your last opportunity to verbally share your opinions on the new Local Authority proposals. The consultation period ends on Friday 2nd October. You still have time to forward your views to the LA and your local MPs in writing. If you wish to do this please send them into school where we will be happy to mail them for you.

## Coffee Shop

New Menu, New Team and New Uniforms! Yes, we are talking about the **Coffee Shop!** For those of you who are regular customers and for those of you who are hopefully going to visit, the Coffee Shop re-opened today **Friday 18<sup>th</sup> September in the Senior Hall From 10.30 - 11.30am.**

The pupils and staff are excited to share with you our new menu and show off our new outfits! Please come along and bring your friends and family and have some really tasty treats and be waited on by the pupils.

We hope to see you on the 25<sup>th</sup> or any Friday where you can be assured of a warm and friendly welcome.

## Tesco

Can we take this opportunity to thank everyone who collected the Tesco vouchers this year. We have purchased a new webcam, with bird box, see through compost bin, water butts, build your own birdhouses and mini-beast houses. I am sure you will agree the children will have great fun using this new equipment.

### Harvest Festival

Harvest festival is fast approaching. Wednesday 21 October. To ensure we have enough donations this year we have decided to start collecting early. Every year we collect donations of tins, packets, pasta, fruit and vegetables, which are then collected by the salvation army, who parcel the food up to make food hampers which are then delivered back into the community. If you have any spare tins or packets which are still within the best before date, please send them into school with your child and we can start off our

collection.
