19th January 2024

Dear Parents and Carers

What a week!

This week has definitely been a wintery one!
We all made the most of the snow on Tuesday,
the children really enjoyed
the experiences and showed
how sensible they can be.
School should be about fun
and every
experience is a
learning one.

Unfortunate events

You may have seen on our social media posts or heard from your child that yesterday was an eventful day. We did have more burst pipes due to the extremely cold weather. However we are sadly becoming more experienced at this and our site manager was quickly able to turn things off and bring in the best people to fix everything. This luckily meant only a short period of disruption for our oldest pupils and everyone could return to normal today. Thank you Sam and all the staff and pupils for reacting so calmly and solution focused!

Nothing can stop Oak!

Or any of our classes. Despite the move to the main hall, Oak class were able to carry on with their planned activities and work towards their Duke of Edinburgh award. They were using their design and

technology skills to improve the area outside the classroom. They are hoping to attract lots of birds for them to see.

Dates for the term

15th February 2024 – Last day of term for pupils

16th February 2024 – Inset training day.

Best Wishes

Alison Randall
