Everyone in High School for being involved and organising the Comic Relief events today!

15<sup>th</sup> March 2024

Dear Parents and Carers

## Comic Relief Day!

Oak class as part of their ASDAN qualification planned, organised and led the schools events for comic relief.

They made their own red noses and sold these around school.

They also organised a 'Lancasterian got Talent' show for the whole school. This was amazing to see. Our pupils always amaze us with their

confidence and their talents. Not only did our older pupils have pre planned performances but also our younger pupils rose to the challenge on the day and got up in front of everyone to perform in the open mic session! There were singers, dances, jugglers, boxing demonstrations to highlight some performances!

## British Science Week

This week has also been British Science Week. Class across school have been taking part in lots of different science activities and experiments. In Bluebells class they were exploring different objects move across different surfaces. In maple

class they were also exploring marble runs and

discovered that it the tallest structure took the longest time but the one with the larger number of twists, turns and changes in direction.

wasn't that

While in Cedar class they were trying to find solutions to the plastic crisis by finding

natural biodegradable alternatives. They experimented with making plastic from eggs and from potatoes! The results were amazing.

## Dates for the term

28<sup>th</sup> March 2024 – Easter celebrations

28<sup>th</sup> March 2024 – Last day of term

Best Wishes
