26<sup>th</sup> April 2024

Dear Parents and Carers

## Enrichment

Some of the classes have been out on amazing class trips this week. Rose class had the opportunity to visit Bridgewater Hall to see the Festivo Winds Trio.

Everyone had a wonderful time and were really engaged.

Birch class visited blue planet Aquarium as part of our water topic. We had lots of fun! We saw scary sharks, lots of fish and a saw the sting rays being fed.

In school Birch class also continued with the planting tasks for our developing growing areas. We have a number of raised beds and wheelchair accessible growing beds which we are planting with vegetables, herbs and edible flowers.

We are very pleased to also be given a NIF grant from the local council to continue to develop our growing areas which will also involve the local community.

## Science

This week in science Jasmine class have been learning about different materials. This week they have been sorting

every day objects by the material they are made from.

## Dates for the term

6<sup>th</sup> May 2024 – Spring Bank Holiday – school closed

24<sup>th</sup> May 2024 – Last day of term

Best Wishes
