12th February 2021

Chinese New Year.

新年快乐 (Happy New Year)

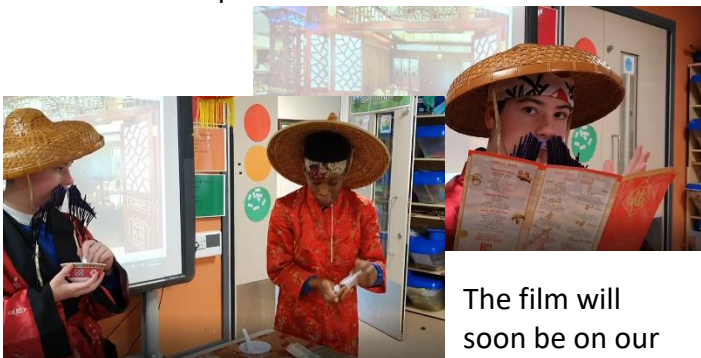

Beech class made their own chinese dragon which they danced around the school with. It was a very loud parade but all the classes loved it!

They also made their own film about the Jade Emperor.

Other food technology!

Blossom class have been working hard on their cutting skills and making sandwiches linked to their story 'The 3 little pigs'. Oscar received star of the week for exploring the cucumber.

The film will soon be on our

Your Tube channel for you all to watch! After all their hard work they all enjoyed some delicious chinese food. They didn't even share any with me! (It wasn't covid save to share)

All the other classes also joined in the celebrations. There were more dragons and lots of food!

Return to school

I hope you all have a lovely half term and try to stay safe and warm! We will be back to school on 22nd February but this will still be under covid restrictions. I am hopeful that we will all be able to return to school fully very soon. I will be making plans for this when we return.

Best Wishes
Alison Randall
