5th March 2021

Return to school

We are all looking forward to seeing all the pupils back to school on Monday. It is such a long time since we had full classrooms. I am sure most of the children will be excited to come back to school. If however your child is anxious please don't worry we are prepared to settle everyone back in and get used to the routines again.

Our risk assessment is very similar to our autumn term one. The main methods of protection are:

Children will be in their own class with their own staff. There will be very limited mixing between classes. All staff wear masks in the corridors. Wearing of masks in classes is challenging for our pupils due to their communication needs. However this will be risk assessed and regular reviewed.

All the staff are tested twice a week and we are continuing with the other precautions around cleaning and handwashing.

The parent leaflet is on the website which has more information.

Pupil Testing

A letter has been sent to all the parents of our secondary pupils. We will receive home testing kits for these pupils and can offer advice and support on how to use them. Please respond to this letter by early next week so we know how many families to send the test kits to.

World book day!

We all had such a fun day yesterday! It was a welcome break from risk assessments and testing and all things covid. (It was however all still covid safe!)

It was great to see the children and the staff all dressed up as book characters

and enjoying reading. See twitter for more. I loved being able to read 2 of my favourite books to classes and to some children at home!

I also know that Maple class and Jasmine class have made their own films which will be uploaded onto our you tube channel this weekend. It will be well worth watching these next week.

Parents evening

We have our spring parents evening coming up. This will again be remotely with either a video conference or a conference call. There are 2 slots

Thursday 11th March 3.45 to 5.45pm

Wednesday 17th March 3.45pm to 4.45pm

You can book on this through the website.

Best Wishes

Alison Randall
