12th March 2021

Return to school

It has been lovely to see most of our pupils back this week. They have all settled back into the routine really well. Thank you to all of you for working so hard with home learning and keeping our children learning. Well done!

Next week we are welcoming one of our teachers back as well. Hazel from Willows is returning from her maternity leave. She and the current teacher Natasha will work together to ensure a smooth transition.

Mothers Day

I wish all of the mums and those in mothering roles a happy Mothering Sunday. I hope you all have a lovely restful day and enjoy the cards or gifts your children have made for you. Here is a sneak

peek from one class!

Shh.

Science work

Oak class have been working hard on messy science and their skills for life. They all enjoyed getting messy and earning a certificate.

Upcoming dates next week.

17th March – 2nd parents evening. Please book a slot on the website if you haven't already.

19th March – Red Nose Day.

It has been a year now since the government announced a global pandemic. We have all lived through some very difficult times and we need to have a good laugh and a joke!

Pupils can come in on **Friday 19th March** in their own clothes or dressed as a super hero. We will ask for a donation of £1 to raise money for the red nose appeal. There will be lots of fun events on as well to help us all laugh and feel even happier as we work towards the restrictions being lifted. (These will all be safe.)

You will receive a letter on Monday with more information.

Best Wishes

Alison Randall

Headteacher
