Personal development provision

Lancasterian has always prided itself on ensuring our pupils develop to the best they can be. We want all our pupils to be healthy, confident and independent young adults when they leave us. We have lots of curriculum and extra curricular activities and events to support this.

You will have seen recently on twitter and the newsletters that we have joined the 'skills for life' work the Local Authority launched last year. Here are some examples of some of the activities the pupils have been involved in this week.

In Acorns they have been developing

teamwork; learning to cooperate and work collaboratively. They will also have to practice their communication.

In maple class they have been working on problem-solving and communication to crack the code in their early Easter egg hunt.

Semi-formal curriculum

Our semi-formal curriculum is our tailor made curriculum for pupils who are ready for some individual subjects but not quite ready for all.

There is a focus in this curriculum on readiness for learning and on independence. There is a lot of practical learning about the local community and being a part of this safely. Also pupils learn about how important exercise is in self-regulation of emotions and mental well-being.

Diversity

We also learn to understand and respect

our differences in school. Jasmine class learnt about Passover and how the festival is

celebrated.

Upcoming dates next week.

1st April – Easter Bonnet day and virtual parade. (primary)

1st April – Egg decorating competition (high school).

1st April – Last day of term.

2nd April – Autism Awareness day.

Best Wishes

Alison Randall
