7th May 2021

Deaf Awareness Week

This week was Deaf Awareness Week. Please look on our twitter feed to watch a wonderful video by one of our deaf pupils. We have a number of pupils who use British Sign Language for their main communication. A large number of pupils with hearing impairment in school also use key word signing to support their communication. We encourage everyone to learn their basic signs. Well done Abdellah!

National Gardening Week

At Lancasterian School we have some lovely green spaces and a special gardening area in the building; our gardening quad. The pupils in Acorns class have been working hard this week to start their renovation project for this area. They have been learning new skills and planning what comes next. Look out for the next photos.

Skills for Life

Our pupils are continuing to develop their 'skills for life' through the enrichment curriculum. This week Ryland earned his problem solving certificate for independently manoeuvring his wheelchair around a course in PE! Well done.

EHCP annual reviews

Thank you to everyone who are using Microsoft teams to either join the meeting by video or by telephone. It is great to be able to co-produce the review documents and to make meaningful changes to the EHCP. If you are unable to make the meeting please can you let us know as soon as possible. We are not always able to rearrange the meetings as they are planned for the year so please try your best to attend at the time.

Upcoming Events

Monday 17th May; Eid party in school. Pupils can wear party clothes and will have a celebration in their classes.

Eid Mubbarak to everyone celebrating next week.

Best Wishes
Alison Randall
 Headteacher
