21st May 2021

Eid Parties.

Everyone had an amazing time on Monday at our Eid Parties. All the children enjoyed making their own decorations and sharing the great food with their friends. I hope that all the families that

celebrated last week

had a good time too.

Transition for next year

It is getting to the end of the year and we are preparing to say goodbye to our year 11's and hello to our new pupils and families. Last year we were not able to do our usual preparations due to covid. This year we are hoping to be able to have visits for all the children to their new classes and to meet their new teachers. We will be able to let you all know the dates for the transition visits next week as well as the plans for making them covid safe.

Covid 19 Risk Assessment

I am sure everyone is looking forward to or have already enjoyed visiting each other's homes or meeting friends and family for a meal.

In school I am conscious that we still need to keep everyone safe and try to reduce the risks as much as we can.

All the adults and some of our high school pupils are still doing LFT tests twice a week. We are still wearing face coverings or masks in school and trying to stay 2m away. We still have extra cleaning and everyone is washing hands more often.

You can all help as well by being aware of the symptoms of Covid and not sending your child in if they have

- A continuous cough
- A high temperature
- A loss of sense of taste or smell.

If your child has any of these symptoms please take them for a covid test and inform us as soon as you receive the result.

If your child has to self isolate because a family member has covid please can you also inform school.

Letter from the Queen

Beech class were saddened by the loss of Prince Philip and wanted to support Queen Elizabeth. They made their own card for her and have

received a reply from her thanking them for their support. A kind deed makes you happy as well as the other person.

Well Done Beech.

Best Wishes
Alison Randall
