6<sup>th</sup> October 2023

Dear Parents and Carers

## Autumn Theme

The seasons are changing and it is always exciting to

see the colours change in our environment. Many of our classes have been

exploring for these changes and linking it to My

Expression, My and My reasoning. class were multi layered

Creative World

Sycamore making autumn

collage while Birch class went on a local walk to see the changes in seasons happening. They then used their sorting skills to sort all the objects they found.

## Maths

It was great to see Birch class learning their My Reasoning (Maths) in lots

of different ways this week. They were sorting natural

Inspire – Grow – Achieve

objects but also practicing their number skills in a more formal way. Oak class were further extending their maths skills by marking each other's work!

## Parent's

It was lovely to see Jasmine class having their first learning celebration event with parents. They got to see their children do their morning writing and reading, and

then we listened to our story, Coco, together. Coco is a beautiful Mexican story all about the

importance of family. The next parents

group is a brew and a biscuit and a staff member sharing their personal experience of growing up with a gastrostomy. The 17<sup>th</sup> October

meeting is Anita our assistant headteacher talking about the EHCP annual review process.

## Dates for the term

Parents evening 13<sup>th</sup> October  
Harvest festival donations by 11<sup>th</sup> October  
Best Wishes
