20<sup>th</sup> October 2023

Dear Parents and Carers

## A Wonderful Half Term.

It has been an amazing half term. The new pupils have settled so well into all their classes and all are making the most of the learning opportunities.

We have also had a great start to our Parents Support Group. There have been informative talks as well as opportunities to get to know each other over a brew and a biscuit. These have been well attended but

don't worry there is always room for more parents if you haven't managed to get to one. These are continuing next half term still on a Tuesday morning 9.30 to 11.00.

## Life Skills.

In Oak class this week they have been designing and making toasted sandwiches for lunch! Cheese and chocolate was an interesting

combination! They made themselves a hot drink to go with it. I think a few pupils have a sweet tooth!

Next term our Coffee Shop will be reopening. This is a café that is run by our KS4 pupils. They will be doing all the marketing, baking, serving and banking for the café. This is a great hit with

the classes and the staff. We are also hoping to open this up to our parents when they have practiced on us!

## Harvest Festival

This week Jasmine class visited Christ Church in West Didsbury to deliver their Harvest Festival donation to the

foodbank. We also got some time in Church with Reverend Tom, who talked

about the importance of charity and giving to those in need. Thank you to everyone for their donations!

## Positive Looking

As a positive looking school our staff had

another fabulous training session from our own Positive Looking Practitioner, Alex, and Lindsey from MSSS. They were further developing their understanding of and skills in supporting pupils with visual impairment.

## Dates for the term

First day of term – 30<sup>th</sup> October.

Have a lovely half term!

Best Wishes

*Alison Randall*
