24th November 2023

Dear Parents and Carers
World children's day.

Monday this week was World Children's Day. This day is UNICEF's annual day of action for children, by children, marking the adoption of the

Convention on the Rights of the Child.

Children's rights are human rights. On World Children's Day we make space for children

and young people to raise their voices on the issues that matter to them. By prioritizing children's rights and participation, we can help to build a better future for all.

For this day we had lots of collaborative activities for our pupils to work together. A big activity was to give our pupils the control over how to decorate a wall in school. Every child was able to use paint and leave their mark

or decoration. Everyone really enjoyed doing this and I absolutely love the finished product. It is an

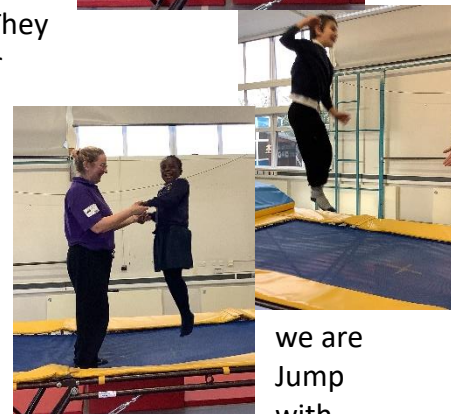

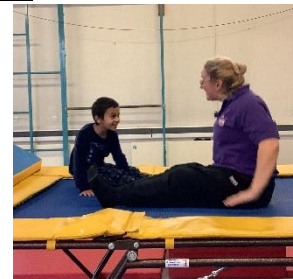

amazing piece of artwork and it represents all of our pupils.

Rebound therapy

Daffodils class are taking part in Rebound Therapy this term. The pupils absolutely love it and don't realise

they are learning! They are developing their communication, their gross motor skills, their balance skills and their sensory regulation! It is a great activity and very grateful that Space support us this.

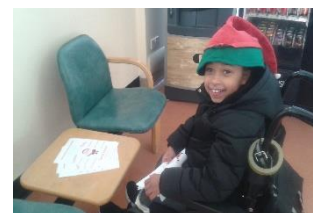

we are Jump with

Christmas!

It is our Christmas fair on Tuesday 5th December in the afternoon. One of pupils has been out delivering posters in the Christmas trip.

Dates for the term

- 5th December Christmas Fair
 - 13th December pm: KS 3 Christmas concert
 - 14th December am: Primary Christmas concert
 - 14th December pm: KS4 Christmas concert.
- Best Wishes
Alison Randall
