Everyone!

5th January 2024

Dear Parents and Carers

Welcome Back

I hope everyone had a lovely Christmas /Winter break. It was lovely to spend time with our families, though I know it is a hectic time and can be difficult for some of our children.

However everyone has come back happy to see their friends and quickly settled into their routines. Elm class had a very relaxing session to help them settle into class this week.

Sport enrichment

Our sport enrichment activities all restarted this week as well. Jumpspace came today and started the rebound sessions with their new classes, Sunflowers and Rowan.

Other classes continued with their cooking, music or structured play activities. Our reopened Café- Totally Tasty Treats, will start next week.

Sale Sharks also restarted this week and the children quickly settled back into the routine. This week the pupils took part in 'tag rugby' but these photos are from the last session before

Christmas and show how the pupils are really engaging with a very different sport.

Parents Group

There is a full program of parent groups planned for this half term. The details of which can be found on our website.

The next session is a 'brew and biscuit' on the 9th January when Becca Grant will be introducing herself and talking about MOVE. The following week, 16th January, Kevin Northrop, from Manchester Travel Training Partnership, will be joining the group to talk about travel training for our older pupils.

Dates for the term

15th February 2024 – Last day of term for pupils
16th February 2024 – Inset training day.

Best Wishes
