26<sup>th</sup> January 2024

Dear Parents and Carers

### Enrichment activities

This week Daffodils class went into our food tech room for their enrichment activities. They made their own sweet pastries. They were practicing their fine motor skills as well as independence skills.

They were all really engaged as you can see from the pictures.

I said in my previous newsletters that I would share some more pictures of our Sale Sharks sessions. These are amazing sessions for our enrichment and this

week our pupils in Sycamore and Birch class were able to take part.

*Inspire – Grow – Achieve*

### Rights Respecting Schools

We are continuing our journey towards the Gold Award for Rights Respecting Schools. Our formal and semi-formal committee's had asked all the school to design

a Mascot for our school. This week the

committees have had a very hard decision as there were so many entries.

The winner was announced in our primary assembly this week. Alexia from Acorns class was the very

well deserved winner.

### Parents Group

Our next weeks parents group is on Tuesday 30<sup>th</sup> January 9.30 to 11.00 am. This session is a presentation from Bethan Glenn about accreditation, qualifications, post 16 placements and transitions. This will be very useful for any of parents of pupils in Year 9, 10 or 11. Though please come along if you child is in any other year group.

### Dates for the term

15<sup>th</sup> February 2024 – Last day of term for pupils  
 16<sup>th</sup> February 2024 – Inset training day.

Best Wishes
