22nd March 2024

Dear Parents and Carers

Enrichment

It is lovely to see all the different type of activities we are giving our pupils the opportunity to experience. Each week every class has at least one session of activities that are additional to our curriculum. These are an opportunity to develop pupils personal development in lots of different ways: team work, communication, self-belief, self-management and problem solving. #skillsforlife This week Elm class have been making s'mores on the camp fire. The teachers were very proud that all the pupils are now able to share

the campfire together and are able to keep themselves safe (self-management). They all problem solved how to make their s'mores and thoroughly enjoyed eating them!

We are all very pleased to welcome Sale Sharks to school every week. All our pupils enjoy the

wheelchair or tag rugby sessions. These help all our pupils develop all of their skills for

life and also to have lots of fun!

Inspire – Grow – Achieve

The staff have also really enjoyed the sessions and this culminated in a staff V student match. I am sure

you can see from everyone took it very seriously!

On a different sport, Acorns

have been enjoying their Tennis sessions

with Andy from We Do Tennis this half term. The pupils

work on core skills such as balancing, hitting, throwing and catching .

Easter!

Next week the all classes will be decorating eggs for the egg competition. Primary classes will also have an Easter Bonnet competition. If you wish to have a go at an Easter bonnet at home we would love to see them on Thursday 28th!

Dates for the term

28th March 2024 – Easter celebrations

28th March 2024 – Last day of term

Best Wishes

Alison Randall
