1st October 2021

Dear Parents and Carers

Hello and welcome

Over the past 4 weeks our new class, Daffodils, have been settling into their new school. This is a big change for some of our youngest pupils and I am so impressed with how well they have been doing.

They have really enjoyed exploring the new activities and all the new rooms!

Goodbye and Good Luck

While our new pupils have been settling in we have also been saying goodbye to one of our longest serving members of the Lancasterian Family. I am sure lots of our older pupils and their families will know the name Jean!

Inspire – Grow – Achieve

She has made the hard decision to retire and she fully deserve the time to rest and focus on herself. I want to say thank you to her for all of her hard work and support to Lancasterian school. The pupils have had such an wonderful experience when she has been working with them.

She had a lovely good bye party and really enjoyed the home made cards and gifts from the children.

Parents evening

Our parents evening are on 6th and 13th October. Please can you complete the form to say how you wish to be contacted and if you are happy with remote access make your appointment on our website. The form was on the letter emailed to you.

We are looking forward to being able to share how well the pupils have settled back into school and planning the next year with you.

Best Wishes

Alison Randall
