8th October 2021

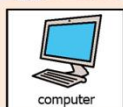

Dear Parents and Carers

Making new friends

It was Willow's assembly today and they shared the new friends they were making in class. They also shared what they all liked to do in school.

Daniella

In Daffodils they had been sharing the foot spas with their friends.

Library Monitors

Our high school pupils were asked to apply for the role of library monitor. There were some amazing applications and the successful candidates had their interviews this week. 6 pupils were successful at interviews and will receive their badges next week. Look out for their pictures in next week's Newsletter.

Parents Evening

It was lovely to be able to speak to you on Wednesday and share with you how well your child has settled back into school or into their new class.

We are looking forward to speaking to more parents on Wednesday 13th October. We are making this parents a virtual event using teams, zoom or the telephone.

Please can you complete the form to say how you wish to be contacted. The form was on the letter emailed to you last week. If you do not have the form please can you telephone school.

If you are happy with remote access make your appointment on our website and don't forget to look at the rearranged front page and see the 'True Colours' song from last year.

We are looking forward to being able to share how well the pupils have settled back into school and planning the next year with you.

Best Wishes

Alison Randall

Headteacher
