5th November 2021

Dear Parents and Carers

New half term

I hope everyone had a good half term break and enjoyed spending time as a family. I hope no one got too wet! It has been lovely to see the pupils back this week and how happy they have been to see each other again.

Bonfire Night

I hope everyone has a safe and happy bonfire night. The pupils across school have been learning about the history of the night and about how to stay safe at this time.

Maple class have been learning the history and been making their own 'guy' for the bonfire.

While Daffodils have been making biscuits that look like fireworks.

Diwali

Happy Diwali to all our Hindu friends. A lovely festival to celebrate love, goodness and hope for humankind. It is also known as the festival of lights and we often see fireworks at this time as well. Daffodill class have been celebrating

Diwali by exploring coloured rice and making their own Rangoli patterns.

Covid Vaccinations

I have sent home via email consent forms for covid vaccine for all of our pupils aged between 12 and 15. I need this in as soon as possible (Monday 8th) so that we can plan the best provision for our pupils. The date for the vaccinations in school is 26th November.

If you would prefer to have your child vaccinated sooner, you can book online at <https://www.nhs.uk/conditions/coronavirus-covid-19/coronavirus-vaccination/book-coronavirus-vaccination/>

Best Wishes
Alison Randall
Headteacher
