19th November 2021

Dear Parents and Carers

Anti-Bullying week

We all had a wonderful Anti-bullying week learning about using kind words with each other. It started off with lots of odd's socks and

finished the with

highschool assembly organised

by

beech class.

Children in Need

It was lovely to see all the pupils dressed in their own clothes today, the first own clothes day we have been able to do in a while! The pupils had lots of fun with pudsey bear themed activities.

Music in school

This week we had a wonderful return visit from Music in Hospitals and Care Brass Quartet. All the classes who had not had a visit were able to have this wonderful experience this time.

Thank you so much to the band it was lovely to see the pupils so engaged.

Hydrotherapy Pool

So today I had one of my first targets come to fruition; better late than never. **We had pupils in our pool!!** This was a trial but more will follow.

We have a timetable for all the primary classes to have a slot and identified pupils within our high school. Classes will be sending out letters for your information and permission. These will be a splash fun activity session and hopefully be enjoyed by everyone who can.

Covid Vaccine

Thank you to everyone who has returned the consent forms. As there are so many wishing to have the vaccine we are in discussion with the service to change the date. I will inform you of the confirmed date as soon as I can.

Best Wishes

Alison Randall

Headteacher
