11th September 2020

Dear Parents and Carers

Welcome Back

Welcome back to our new school year. It is a different start to the year but it has been all worthwhile to see our pupils return. There have been lots of happy faces around school.

We are starting with our recovery curriculum and settling the pupils back into the routine of school or to learn about their new school.

One of our new pupils has found a good spot to relax and watch what is happening!

Across the school the pupils have been learning about germs and the importance of washing their hands. This has been alongside learning about what is important to them and makes them super heroes!

Wow!

Everyone was amazed at what had happened in the garden over the summer. Thank you to Mandy for helping our pupils to develop their gardening skills!

New Class

We have set up a new class this year called Pine. So we are welcoming a new group of pupils and some new staff. The teacher in Pine is Alice Dempsey and we also have a number of new TA's: Rachel, Simon, Louise, Kasia, Jayne, Jade and Huda. I know they are all going to bring lots to our school and it is great to see the school grow.

Best Wishes

Alison Randall

Headteacher

Inspire – Grow – Achieve
