Children in Need Day

Everyone has been busy 'acting their age' for children in need.

Beech class baked biscuit and cakes to sell in a covid safe way. They raised £53 by making the sum of their ages in biscuits and cakes.

Oak class had to exercise for the age in minutes! They all worked very hard to do this and hats of to Joey for carrying on even when his class had finished. That showed true resilience.

Mrs Randall was prompted to walk 40 laps of the school by her friends and family. This was a total of 16000 steps or 7 miles!! Worth it to raise £40 pound for children in need.

Acorns did go one better and ran 40 laps of the playground.

Willows did lots of fun Pudsey activities and thank you to Angeline for making Pudsey visors for everyone!

Maple class also did a range of activities linked to their age, from reading 12 pages of a book or walking 11 laps of the hall.

We all had lots of fun 'acting our age' for Pudsey!
Best Wishes
Alison Randall
