## Anti – bullying week

This week all the classes have taken part in lots of PSH activities linked to anti-bullying week. From sharing stories about colour and emotions in sunflowers and rose class through to identifying ways they can help stop bullying in Maple class.

This is a very important week for our school and it goes a long way to helping our children to identify what bullying is and knowing where to go for help.

## Update on Children in Need fundraising.

We have an updated total for how much we raised Pudsey week. It an amazing amount **£188!**

for last was of

## Covid Updates

As we get further into winter we are seeing an increase in coughs, colds and flu. It is important that if your child is ill you inform school as soon as possible. We may ask you to go for test for Covid, this is to help us keep everyone safe in school. If your child or anyone in your family tests positive please let school know on our dedicated email [covid@lancasterian.manchester.sch.uk](mailto:covid@lancasterian.manchester.sch.uk) this can also be found on the website.

## Christmas

I love Christmas and always look forward to celebrating it in school. This is year will have to be different but everyone is putting their thinking caps on so that we can still have all the traditional events such as a panto, concert, party and Christmas dinner. We will let you all know

the plan and timetable for these next week. Some staff have already put their trees up but ours will still go up in December!

Best Wishes
