04th December 2021

They found the best material for a space

Christmas!

Christmas has reached Lancasterian school and all the classes have decorated their own classrooms. It is all looking very

festive!

We are doing a Christmas Concert via Zoom this year. A letter has been emailed to you and sent home with your child. High school is 14th December am. Primary school is 15th December am. If you wish to watch this then please return the form on the letter or telephone school.

Science

Jasmine class have been loving their science lessons this term. They have been learning about different materials and finding the best material for different jobs.

suit and helmet.

Training Days

A letter has been emailed to all parents and will be in your child's bag. This explains that we have needed to change the timings of 2 training days and move them to the 4th and 5th January. The children will return to school on 6th January.

Covid

We are in the run up to Christmas when we will all be able to see our extended families. This is very exciting and needed for lots of people. Please can we all help each other by following the rules of Tier 3.

Best Wishes

Alison Randall
